LONG-TERM CARE IN SKILLED NURSING

The Skilled Nursing team at Reformed Church Home takes great pride in a long history of dignified and compassionate senior care in an exceptionally maintained setting! We offer complete nursing care for long-term residents in conjunction with an award-winning staff, which has been recognized over many years for 5-star quality of care and outstanding state survey performance.

Our Skilled Nursing center can accommodate 108 individuals, with the majority being permanent, long-term care residents. Most of these residents require full assistance with normal activities of daily living, such as dressing, bathing, feeding, toileting, and/or require more complex nursing care. About one-third of the beds are dedicated to short-term stays for our sub-acute rehabilitation program.

Care Team Members

Skilled Nursing residents are cared for by a highly trained, compassionate staff that provides a wide range of personal and health-related services. All of our residents are under the care of our Medical Director, Edward Mezic, MD, who makes referrals to specialists as needed.

Other team members include: Registered and Licensed Practical Nurses, Nurse Practitioner, Certified Nursing Assistants, an

ordained Reformed Church (Christian) Minister, activities director and staff, dietitian, and licensed social workers.

Visiting Doctors And Healthcare Providers

In addition to our Medical Director, a podiatrist, optometrist, dentist, psychiatrist, and psychologist regularly visit our community. Physical, occupational, and speech therapists are on site 7 days per week.
